Dear Satellite ORBIT Subscribers,

Thank you for your continued support to Satellite ORBIT magazine.

October month continues with season premieres as well as the return of 13 nights of Halloween airing on FAM channel from October 19th to October 31st. Check out our TV Spotlight section on page 8 for show listings.

Please note that SLEUTH Channel is now called Cloo and HD Theater is rebranded to Velocity HD.

Furthermore, a reminder that you can view more movie details by looking up the movie title in the movies index near the back of the book. For more updated and complete movie listings, please log on to our website at www.orbitmagazine.com.

Feel free to contact us at: directmag@captivemultimedia.com.

Wishing you a fabulous month,
The Satellite Orbit Team

broadcast q&a

By Jay Bobbin

Q: Do they count DVR recordings for ratings?
—Steven Valdez, Pueblo, Colo.

A: They definitely do. With the popularity and wide, common use of recording devices, there now are three strata of ratings: the regular, over-the-air telecasts; "Live Plus SD," compiling the numbers for the over-the-air telecast with those for same-day viewing later; and "Live Plus 7," a composite of the over-the-air telecast and the viewings of the same program in the seven days afterward. All of those factor into the price that networks charge advertisers for commercial time.

frequently asked questions

Q: It's the first week into the month and I haven't received my magazine yet. What should I do?

A: You can contact USPS at 1-800-275-8777 to inquire mail service updates in your area or view their website at <http://www.usps.com/communications/news/serviceupdates.htm>. If there are no delivery problems in your area, please contact our customer service to verify your mailing address. For new subscribers, please verify when you will receive your first issue. Remember, it takes 6-8 weeks to process a new order.

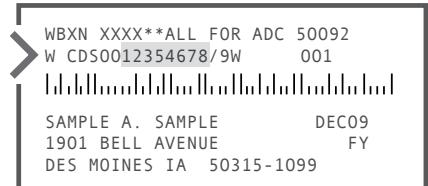

Q: What happened to some of the channels that used to be listed in the guide?

A: Our team constantly reviews the channel lineup based on your feedback to see which channels should be added. Adding a channel requires us to remove another channel so that we may make room in the listing space. You can request to have certain channels added in the guide – we review every request and do our best to accommodate it.

Q: How do I log on to the online site? What is my account number?

A: Simply go to www.orbitmagazine.com. If you receive a print magazine, look at the address label to find your account number.

It will resemble this:

Simply remove the beginning abbreviations, the 0's and anything after the backslash if present. Your account number to access the site would then be: 12354678

Q: Can I switch from print subscription to online or from online to print?

A: Of course you can! We are happy to accommodate this request, simply e-mail us at: directmag@captivemultimedia.com and we will be happy to set-up this arrangement for you.
